

## About This Site

Contributed by Webmaster

WELCOME - PLEASE REGISTER USING THE LINK ON THE RIGHT TO USE THE SITE

This site has been created as a noticeboard on the web for ALSA's events and to allow ALSA members to communicate with each other in a number of ways. For security, most of the site's functions are only available to registered members who have to be approved by ALSA site moderators. Once registered you can:

- Read about ALSA, the committee and its work
- View and create events in the Event Calendar
- Browse and search lists of ALSA members - all members or by year group associations
- View the contact details of ALSA members and publish your details (either to all members or individually, at your discretion)
- Read the latest ALSA news
- Find out about sporting activities
- Subscribe to emailed newsletters

Please send any comments to Andrew Wright by using the Contacts link in the menu on the left.
